- ♠ **A Penny...** page 4
Cat Lain
 After discovering the stations that let the crew send messages home, Captain Janeway finds herself examining feelings and emotions that she hasn't had to deal with since coming to the Delta Quadrant.
- ♠ **Food for Thought** page 7
Andra Marie Mueller
 After the battle of the Q's, Janeway finds herself questioning a decision she had made long ago.
- ♠ **In the Spirit of Things** page 10
Debra Lynn Brei Art by Robert Kirkpatrick
 Chakotay finds himself on a shore leave that turns into a disaster. He is injured and trapped in a cave where the *Voyager* cannot find him. On the ship, the captain and the crew are trying to find him, and having no success. Janeway decides that a different approach to the problem is needed. The only question then is, can she make it work?
- ♠ **First Meeting** page 28
Pat Hammer
 After a successful, if somewhat strange, First Contact with the inhabitants of Irrell Prime, Chakotay and Janeway are headed back to the *Voyager* in the shuttle when disaster strikes. Now the crew must work to find the shuttle.
- ♠ **Are You Now Or Have You Ever Been** page 70

 Chakotay is a fine officer. The top brass of Starfleet all say so. But now, with the "situation" along the Cardassian, they want more than his best.
- ♠ **The Lemhas Catcher** page 88
Anne Davenport art by Anne Davenport
 Captain Janeway and Harry Kim experience an unusual Away Mission.
- ♠ **The Mention That I Miss** page 106
Morgan Stuart art by Madeline Mumford
 Way back when, Tom Paris broke the Threshold. He also underwent a strange evolution and captured the captain and forced her to undergo the same transformation. And then they had triplets. Which were left to fend for themselves on that strange planet. What happens when the children come looking for their parents?
- ♠ **The Courtship of Seven or How I Learned to Stop Worrying and Love the Borg** page 123
Miranda Greene
 Seven is trying to learn how to fit in with the Humans after being a part of the Borg Collective. It's not easy. She has many things to learn about being a Human. She needs someone to help her. Question is, who will her tutor be?
- ♠ **Prison Without Walls** page 131
Valerie DeVries
 Tom Paris and Harry Kim are rescued from the Akritirian prison and are now back on the *Voyager*. So why is Tom having all these strange accidents? [Editor's note: adult themes]
- ♠ **Homecoming** page 153
Andra Marie Mueller
 The crew has suddenly found the means to get home to the Alpha Quadrant. They find that things have changed. A lot. *An Alternate Universe story.*
