From the Editor's Desk

Some things begin with a perfectly innocent question. Like this fanzine. "Your suggestions are always welcome," it said on that Orion flyer. So I asked the publisher, Randall Landers: *What about having a one-shot fanzine dedicated to the Imzadi-theme?* Perfectly innocent. Randy's reply came quickly: *So what did you have in mind?* And: *Would you like to do it?* So there I was editing a fanzine.

Editing in terms of *Star Trek* was a first for me, and it definitely was an experience! So therefore my sincerest compliments and heartfelt THANKS have to go out to the contributors of **Imzadi**: you are such a special and talented group of people – it has been a real pleasure to work with you! And a big hug for Dom – for everything. But enough editorial "sweet-talk" – let's have a look what we have in store for you:

The Awareness of Darkness and Light – a deep delve into the inner workings of Denna Troi's perception of Will Riker. Her love, her need as well as her occasional disgust...

Twenty Years from Betazed – in this poem an older and wiser (?) Troi reflects on her where she and a certain Starfleet commander are going...

Come What May – bad news travels fast – Worf's wife Jadzia is dead. But what does this mean for the relationship of Riker and Troi?

The Ghost of the Lover – Riker is grieving the loss of Soren, and even the end of his relationship with Deanna Troi?

Janaran Falls – Deanna Troi never expected to fall in love again with Riker – and yet there was Thomas! But who's Imzadi and who is not?

Back to Hello – bit of poetry: sometimes even eloquent Will Riker is at a loss...

A Subtle Change – some transformation are of a gentler nature, but just as powerful....

Synchronicity – Klingon Opera is certainly not everybody's cup of tea – but is that enough for the ship's counselor to part ways with Worf?

Holding On – excessive alcohol consumption (even in the line of duty) has a certain way to loosen the tongue. So Will Riker might find out more than he bargained for when he tends to the first-time drunk Betazoid ...

Beating Kirk's Record or Of Dreams and Promises – if your lover was able to project erotic images into your mind – wouldn't that interrupt your work performance as well?

Beardless in the Alpha-Quadrant – with or without beard – that is the question!

ENJOY!!!!

Sandra
